

Light & Industrial Staffing Solutions

Business runs on talent. We understand the need to meet productivity goals at peak seasons and it requires an immense, talented, and diverse workforce to do so. No matter what the manufactured product is, we have staffed it. Most importantly, we have the workforce solutions that will fit your needs.

Our Mission

Skillset's mission was founded on the idea of creating a culture that supports long term retention, internally, for our candidates as well as our customers. By providing our customers with the highest levels of customer service, our reputation as a leader in the staffing industry continues to grow by matching the perfect skillset with the perfect employer.

Why Choose Us ?

Over 75+ years of internal staffing experience

No cost to you until we find the right candidate
