

# Industrial Manufacturing Staffing Solutions

Manufacturing touches many different industries and requires an immense, talented, and diverse workforce to finish a product. No matter what the manufactured product is, we have staffed it.

## Our Mission

Skillset's mission was founded on the idea of creating a culture that supports long term retention, internally, for our candidates as well as our customers. By providing our customers with the highest levels of customer service, our reputation as a leader in the staffing industry continues to grow by matching the perfect skillset with the perfect employer.

## Why Choose Us ?

Over 75+ years of internal staffing experience

No cost to you until we find the right candidate

90 Day Guarantee on Direct Hire Employees

Hire temporary & contract workers within 24 hours.

### Direct Hire

Our Direct Hire services are a fast and efficient solution to managing your organizations human capital. We offer Direct Hire searches on a contingent and retained basis.

### Temporary & Temp to Hire

Our Temporary & Temp to hire solutions are designed to help save you money by deploying a flexible workforce management solution and mitigate hiring costs.

### Payroll & Risk Management

Our Payroll solutions are designed to allow your company to focus on your core business while we help manage your HR compliance and mitigate risk.

## Services

Our services include onboarding, E-Verify, drug testing, background checks, timekeeping, tax compliance, workers' compensation insurance, unemployment claims, and benefits.

# Industrial Manufacturing

Great people make dreams come true. We understand that it takes cutting-edge employees to work in the innovative field of Industrial Manufacturing. We place key positions in all major business functions within Manufacturing- from senior engineers to VP's of manufacturing and COOs, to Quality Managers and Production Managers.
